

FALCON HEIGHTS ELEMENTARY SCHOOL

# Special Announcement

A ROSEVILLE AREA SCHOOL

## January 11, 2021

### Transition to In-Person Learning

As we are planning for the upcoming transition to in-person learning, tomorrow January 12th is the last chance to request a change to what you have chosen for your child(ren), distance learning or in-person learning. Please call us at 651-646-0021 if you have any questions.

### Enrichment Clubs for 3<sup>rd</sup>-6<sup>th</sup> Grade Students

Beginning in late January or early February, there will be six enrichment clubs for students across our district to join virtually! Staff members have created fun, engaging, and challenging clubs for students to develop their talents and interests:

- Foodie Club for grades 3-5 for those interested in cooking, health, environment and culture
- The Power of Writing Club for grades 3-6 for those interested in writing and the impact it has
- 3D Printing and Design Club for grades 4-6 for those interested in technology and design
- How to be a Veterinarian Club for grades 4-6 for those interested in animals and their role in our ecosystem
- Stock Market Game Club for grade 4 for those interested in investments and the economy
- Stock Market Game Club for grades 5-6 for those interested in investments and the economy

Registration for the clubs opens at 8:00 a.m. on Saturday, January 16 and will remain open until the classes fill or until 8:00 a.m. on Wednesday, January 20. There are limited spots, and we expect classes to fill quickly, so please register early. The clubs are free, but we expect students who register to attend all classes. All classes will be held virtually, whether our school district is in distance, blended or in-person learning. Clubs will be run through Google Classroom or Schoology. Staff members who run the clubs will communicate information about how to access the virtual class. Some classes will require a pick-up of materials from the student's home school, and information about this will be communicated with families of registered students.

**To learn more about the clubs and to find the registration links, [click here](#). Please note that the registration links will not be live until 8:00 a.m. on Saturday, January 16.** Sometimes there is a delay to the registration form opening, but it will be open within 30 minutes of 8:00 a.m. Once classes fill, you will not be able to access the registration form.

If you have questions about the enrichment clubs please email Trina Hira, coordinator of gifted and talented education, at [trina.hira@isd623.org](mailto:trina.hira@isd623.org).

For more information about Falcon Heights Elementary School, please contact Principal Beth Behnke at [beth.behnke@isd623.org](mailto:beth.behnke@isd623.org) or 651-646-0021.
