## Building Tours

Unfortunately RAMS will not be able to hold any building tours this summer as we are under construction. We look forward to meeting you in the fall!

## **1:1 iPad Program: Information, Expectations, and Insurance**

Roseville Area Schools has implemented a 1:1 program to take advantage of the many benefits that come with providing equitable access to educational technology. "1:1" refers to one device for each student. Students in grades 7-12 are issued an iPad for academic use as a part of the 1:1 iPad Program. By receiving an iPad you and your student are agreeing to follow the district's expectations for student iPad use as found in the 1:1 iPad Program Family & Student Guide.

**Please complete the following steps by the first day of school:**

**Step 1: Review the 1:1 Family & Student Guide and family student iPad guide located on our website under the "FAMILIES" tab with your student(s).**

**Step 2: Sign up for iPad insurance each year. More information to come as we near the fall of 2020**

Program goals and other information can be found at [www.ISD623.org/digitalllearn](http://www.ISD623.org/digitalllearn). You can also get there by going to the main school webpage and clicking on 1:1 iPad Program under the *Families* tab.

If you have additional questions there will be staff available to help at RAMS Open House. There is also a contact form on the 1:1 website that you can complete and submit, and someone from the technology team will respond to your question as soon as possible.

Thank you, and we look forward to partnering with you in the upcoming school year!

~Roseville Area Schools Technology Team
